

Poetry & Art Project for Teens with the Santa Fe Poet Laureate

On-line and outside in green areas

We will be adjusting as we go per COVID-19 restrictions

Santa Fe Poet Laureate **Elizabeth Jacobson**, partnered with **YouthWorks**, is offering **FREE** poetry workshops which will culminate in a visual art project organized by **Axle Contemporary**. Using t-shirt design and printing at **Santa Fe Community Screenprinting** and photographic portraiture, the project finishes with an exhibition of poems, shirts, and photos at the **Santa Fe Community Gallery**, poetry readings, and an anthology publication.
